MINISTER'S MOMENT

Spring flowers, warm weather, longer days, evening walks, and front porch sitting is becoming a reality these days. But last year at this time, we were scared to step outside and missed out on some of the fresh and new excitement that Spring brings. But Spring ushers in more than just a fresh and new excitement, for the believer Spring is a time in which we celebrate Easter, Passion Week, and our Risen Savior.

For the first time in recorded history, the believer was encouraged not to celebrate Easter corporately last year. Although the church was virtually void of any persons, it was full of joy by those who did attend last year's Easter service. Nothing can stop our celebration and worship of Jesus Christ from our hearts and minds; however, there is a mutual satisfaction that is shared during corporate worship - especially Easter Sunday. And after last year, I can make this observation with confidence.

Although COVID has forever changed our culture, please know that the fact that Jesus walked out of the grave after sacrificing Himself for our sins cannot be changed. With our corporate celebration being quenched last year, I hope that you are even more excited to join us in celebrating this year.

We will have our regular Easter Sunday worship services, but sadly we will not have any community Passion Week services again this year. Many of our sister churches are still concerned about social distancing, and we will respect that. However, allow me to suggest an intentional time of reading the passion story for yourself. Read the words of God about this miraculous event and let them leap off of the pages for you. Take your time and reflect on what is happening in the story. Read it out loud to yourself and to your family, allowing the words of this amazing love ring within your soul.

All four Gospels have this fabulous story of redemption and I would like to ask each of you to read one a night. Take four nights out of your week and absorb the Word of God and His act of grace and mercy upon His creation. While you are sitting on your front porch, invite a neighbor to join you in reading from one of the four Gospels about the perfect Lamb of God and His victory over sin and death.

My prayer is that these words come alive in your soul and enlists a tremendous joy within you. The stories can be found in Matthew, chapters 21-28; Mark, chapters 11-16; Luke, chapters 19-24; and John, chapters 12-20.

Blessings on you and the upcoming year as the Risen Savior and Lord Jesus Christ guides you in every step.

Blessings,

Pastor Shawn
